**SECURITY**

All equipment and reports under this Contract are UNCLASSIFIED.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period.

This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

The association of the sponsor with the work being produced under this Contract is classified **CONFIDENTIAL**. This classified information and any other classified information which may be specified in the first paragraph of this Security Article, will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by this Government component to have access to classified information.

Correspondence originated by the Contractor and/or other data to be submitted hereunder, the contents of which contain classified information or refer to the number of this Task Order and/or contract or the name and/or address of the Contracting Officer, shall be stamped by you with the classification of **CONFIDENTIAL**.

**REPORTS**

A Final Report, manuals, drawings and similar data as may be required under this Contract shall be submitted at such time and in such format as may be specified by the Technical Representative of the Contracting Officer or as may be otherwise set forth in the Scope of Work Article of this Schedule. In addition, Technical Progress Reports should be prepared in the manner normally practiced by you and submitted directly to the Contracting Officer's Project Engineer in accordance with the engineer's instructions. A copy of the Progress Report should be mailed directly to the Contracting Officer.
